

Assalamualaikum waarahmatullah wabarakatuh

Good morning

To our distinguished guests, colleagues, and researchers. I am pleased and honored to welcome you to ICOBEST 2022. This year is the fifth edition of the International Conference on Business, Economics, Social Sciences, and Humanities (ICOBEST 2022).

I would like to take this opportunity to extend a warm welcome to the Rector of UNIKOM, Prof. Dr. Ir. H. Eddy Soeryanto Soegoto, MT, and all of the top management of UNIKOM, distinguished guests, our honorable keynote speakers, and all bright presenters and participants for joining ICOBEST 2022. I would also like to extend my appreciation to the organizing committee for their tremendous contributions to the conference's success.

We decided to choose "Empowering World Optimism and Revitalization via Scientific Framework" as the theme for this year's conference. We expect that this conference will provide you with the opportunity to share your findings with a worldwide research community and engage in discussions regarding issues related to research and/or practice in the fields of Business, Economics, Social Sciences, and Humanities. The conference agenda will feature a variety of presenting formats, including keynote speakers and oral presentations. In addition, the best papers will have the opportunity to be published in an international journal indexed by Scopus. Our warmest appreciation goes to all the participants who submitted their papers.

In closing, I encourage the delegates to actively participate in today's interesting discussions. We sincerely hope that this international conference can become a platform for researchers and academics to present their best research results and become a bridge for practitioners in the fields of Business, Economics, Social Sciences, and Humanities. I wish everyone a successful and fruitful conference.

Thank you,

Chief of the conference

Dr. Poni Sukaesih Kurniati, S.IP, M.Si.
